City of Midfield Fire Department Standard Operating Procedure (SOP)

If the event can be managed by Fire Department Personnel:

- If possible, shut off the source of the spill immediately
- Deploy absorbent products and/or diking materials to contain the spill.
- Spills on pervious areas may require removal of soil or other contaminated materials.
- Consult Jefferson County EMA for disposal requirements for all products and materials used to mitigate spills
- If the event requires outside personnel: The Midfield Fire Department will contact Jefferson County EMA and follow EMA protocol. Hazmat and decontamination units will be contacted as needed.
